Sold by Crenshaw & Young

Crozier-Young.

Married, near this city at the residence of the bride's mother, Oct. 8, 1902, at 6 o'clock, by the Rev. W. N. Crozier, Springfield, Mo., Mr. Arthur Bertram Crozier and Miss Nancy MacKamie Young, daughter of Mrs. M. J. Young.

On this beautiful October day, when nature was arrayed in her festive robes of red and gold with summer a step behind and autumn a thought before us the friends and near relatives of Miss McKie Young assembled at her pleasant country home to witness her marriage to Mr. Arthur B. Crozier of New York City.

At the appointed hour, under the skillful fingers of Miss Grosshart, the inspiring strains of Mendelssohn's wedding march announced the approach of the bridal party. First came the groom accompanied by his brother. Rev. W. N. Crozier. They were followed by the attendants, Mr. Carl Barnett of Kansas City and Miss Carrie Barnett, Miss Elizabeth Langford, maid of honor, and two pretty little flower girls, Sidney Langford and Gretchen Yates. The bride then entered leaning on the arm of her brother, Mr. Chalmers Young. The minister, who was also the groom's brother, in a beautiful and most impressive ceremony pronounced them husband and wife.

After receiving the congratulations of friends, the wedding party and guests repaired to the dining room where a delightful repast was served. The house was beautifully decorated by the hands of loving friends with vines and cut flowers; the large parlors in green and white, the dining room in pink and white.

The bride never looked sweeter or more attractive than on this evening when arrayed in her wedding gown of white silk. She is an unusually bright and attractive girl and possesses those qualities of head and heart that fit her to reign in her new home and make it the sweetest spot on earth to the man she has chosen as her husband.

The groom is a rising young business man of New York City, energetic, honorable, and highly esteemed by all who know him.

Mr. and Mrs. Crozier received numerous useful and handsome presents of silver, cut glass &c. In testimony of the high esteem in which they are held by their many friends.

Some of the guests from a distance were Mrs. J. D. Hill, San Francisco, Cal.; Mrs. MacKamie, Mr. James Rickenbaugh, Fulton, Mo.; Mr. Carl Barnett, Kansas City; Mrs. Bowles, Fayette, Ark.

The young people left Thursday for a brief visit to Fayette, Ark., and Chicago, after which they go to New York, their new home.

Our hearty congratulations and good wishes go with them. May sunny waves and happy seas be ever in their voyage of life.

God's love and peace be with them!
Bright sunshine
Fall as an aureole on thee and thine;
No tempests rudely toss thy little boat
Cut gently on life's current may'st it float.
No treacherous rock or whelming billow meet.

BONE FOOD

Soft and crooked bones mean bad feeding. Call the disease rickets if you want to. The growing child must eat the right food for growth. Bones must have bone food, blood must have blood food and so on through the list.

Scott's Emulsion is the right treatment for soft bones in children. Little doses every day give the stiffness and shape that healthy bones should have.

Bow legs become straighter, loose joints grow stronger and firmness comes to the soft heads.

Wrong food caused the trouble. Right food will cure it. In thousands of cases Scott's Emulsion has proven to be the right food for soft bones in childhood.
